Honorary President of the sixth Edition of
cInéMAGINE, *le festival du cinéma d'expression française*
April 25 – 27, 2008 at Fort Macleod**

LETHBRIDGE, FEBRUARY 4, 2008 – The Honorable Hector Goudreau, Minister of Tourism, Parks, Recreation and Culture and MLA Dunvegan-Central Peace will be among us in Fort Macleod, the evening of Saturday, April 26, 2008, to meet with our guests and to emphasize the Francophone vitality and diversity in Alberta.

The cInéMAGINE French Film Festival is an exquisite opportunity for Francophones and Francophiles of Alberta to gather and to view French films (with English subtitles) as well as to sweep the picturesque town of Fort Macleod for an entire weekend. This year, a discussion over coffee will follow each screening in a relaxed atmosphere for our movie-goers. A variety of movie genres are scheduled: suspense, true story, and historical love story. There will be movies to satisfy everyone's taste. Passes will be on sale as of March 10, 2008.
